

PETERBOROUGH REGIONAL HEALTH CENTRE

OUTPATIENT CANCER CARE SERVICES

The Cancer Care team provides a multi-disciplinary approach to the assessment, treatment, follow-up and support of cancer patients and their families.

We provide:

Cancer care services closer to home including Peterborough, Durham, Haliburton and the Kawartha Pine Ridge area.

- Cancer assessment, counseling and follow-up
- General Practitioner in Oncology (GPO) provides chemotherapy treatment supervision and follow-up care of cancer patients
- Chemotherapy treatment by certified Registered Nurses in Oncology
- Radiation and medical oncology services provided weekly by visiting oncologists from Durham Regional Cancer Clinic (DRCC)
- Partnership with Southeastern Ontario Cancer Centre at the Kingston General Hospital providing chemotherapy and follow-up care
- Hematology Oncology clinic 1 day per week
- Supportive care through telephone contact for patients and their families
- Information and education regarding cancer prevention, screening, early detection, cancer treatments/management of side effects and available cancer care services
- Social work and nutritional assessment and support

Patient Resource Room

- Located in the clinic
- Available for patients and their families
- Printed and video educational resources
- Computer internet access with links to cancer websites
